Product

Characteristics

Applications

- Cleaning floors and walls in kennels, veterinary clinics, veterinary practices, dog boarding kennels, pet grooming salons, etc.
- Cleaning and degreasing of benches, night pens, kennels, runs, trailers, etc.
- Powerful cleaner for difficult stains: deposits on eating and drinking bowls, etc.
- Deep cleaner for dirty pillows, mats, fabric and other porous materials.
- Safe for use on all materials.

Use

- Remove as much loose dirt as possible.
- Spray Dog Breeder on the surface. Work upwards from the bottom on vertical surfaces.
- Allow the product to soak in, then rub lightly with a wet cloth or sponge.
- Rinse with clean water. Repeat if necessary.

Tips:

- Use pure or diluted with water, depending on the dirt.
- Do not allow to dry on glass. This can cause permanent stains.
- Can affect certain colours. Test on an inconspicuous area.
- Use a soft brush on porous materials (textiles, concrete, stone, etc.).
- Spray soiled textiles with Dog Breeder before putting them in the washing machine. If necessary, work in with a brush. Always read the washing label
- Can also be used with a pressure washer.

Ingredients:

- phosphates <5%
- non-ionic surfactants <5%
- perfumes (Linalool, Limonene, Cinnamyl Alcohol)
