Product

Characteristics

Applications

- Cleaning floors and walls in stables, trailers, boxes, etc.
- Removal of organic dirt in food and water bowls, sweat, stains from saps and resins, etc.
- Cleaning riding attire, brushes, combs, bandages, leg protectors, stable blankets, etc.
- Safe for use on all materials.

Use

- Remove as much loose dirt as possible.
- Spray Horse Breeder on the surface. Work upwards from the bottom on vertical surfaces.
- Allow the product to penetrate, then rub lightly with a wet cloth or sponge.
- Rinse with clean water. Repeat if necessary

Tips:

- Use pure or diluted with water, depending on the dirt.
- Do not allow to dry on glass. This can cause permanent stains.
- Can affect certain colours. Test on an inconspicuous area.
- Use a soft brush on porous materials (textiles, concrete, stone, etc.)
- Spray soiled textiles with Horse Breeder before putting them in the washing machine. If necessary, work in with a brush. Always read the washing label.
- Can also be used with a pressure washer.
- Use the Green7 Microfiber (microfiber cloth) and Green7 Scarabee (gum sponge) for the best results.

Ingredients:

- phosphates <5%
- non-ionic surfactants <5%
- perfumes (Citral)
